[Adding a Volunteering Opportunity to the Volunteering in North Yorkshire Directory \(VINY\)](#)

This section will provide you with a step by step guide to adding a Volunteering opportunity to VINY. If you have any questions or need any support, please do not hesitate to contact a member of Community First Yorkshire Team on 0190470 704 177 or VINY@communityfirstyorkshire.org.uk.

Step 1: Click on 'My Organisation's Volunteer Opportunities'

Step 2: Click on 'Add a New Volunteering Opportunity'

The screenshot shows a web browser window with the URL <https://portal.communityfirstyorkshire.org.uk/volunteer-organisation-menu>. The page features the Community First Yorkshire logo at the top left and navigation links: Volunteer opportunities, Edit my details, and Log out. Below the logo is a menu bar with links: Menu, About us, Volunteer support, Volunteer organisation support, Trustees, and Contact. The main heading is 'Volunteer Organisation Menu'. There are four large blue buttons with icons and text: 'ADD A NEW VOLUNTEERING OPPORTUNITY' (with an icon of three people), 'MANAGE YOUR EXISTING OPPORTUNITIES' (with an icon of a person and a list), 'VOLUNTEER ENQUIRIES' (with a speech bubble icon), and 'RETURN TO THE MENU' (with a circular arrow icon). An orange arrow points to the first button. The footer includes social media icons for Facebook and Twitter, contact information (01904 704177, info@communityfirstyorkshire.org.uk), and logos for ACRE and Action with Communities in Rural England. The Windows taskbar is visible at the bottom.

NOTE: Please register each of your volunteering opportunities individually, rather than list multiple volunteering roles in one opportunity. Promoting separate opportunities in a clear, accurate, and brief way will make it easier for a potential volunteer to find something that they would like to apply for. Multiple opportunities in one listing could be confusing.

Step 3: Complete the 'Create a volunteer opportunity' form to register a volunteer opportunity on the site.

The screenshot shows a web browser window with the URL <https://portal.communityfirstyorkshire.org.uk/volunteering-opportunity>. The page title is 'Create a volunteer opportunity'. The header includes the 'Community First Yorkshire' logo and navigation links: 'Volunteer opportunities', 'Edit my details', and 'Log out'. A menu bar contains 'Menu', 'About us', 'Volunteer support', 'Volunteer organisation support', 'Trustees', and 'Contact'. A blue button on the right says 'RETURN TO THE VOLUNTEER ORGANISATION MENU'. The form fields are as follows:

- Your name:** A text input field containing 'Volunteer Organisation'. An orange arrow points to this field from the step instruction above.
- Organisation name *:** A text input field containing 'xxx'.
- Opportunity details:** A section header.
- Title of the volunteer opportunity *:** A text input field.
- Volunteering opportunity details:** A section header.
- Tell us about the opportunity *:** A large text area.
- Are you looking for any particular skills or experience from a volunteer? *:** A text input field.

The Windows taskbar at the bottom shows the search bar and various application icons. The system clock indicates 15:07 on 10/04/2019.

NOTE: *Your name* and *Organisation name* will automatically fill with the information that you have used to register your organisation.
